

CANYON ATHLETIC ASSOCIATION

Drone Policy

The Canyon Athletic Association (CAA) prohibits the use or possession of unmanned aircraft or aerial systems (UAS), also known as drones, for any purpose by any person or entity at all scrimmages, regular season, and postseason events.

This prohibition applies to the area above and upon all spectator areas, fields of play, courts, arenas, stadiums, mats, gymnasiums, pools, practice facilities, parking areas, and any other property being utilized for the purpose of a CAA-sanctioned interscholastic activity.

If there is a report of UAS activity at an athletic event, school, league, and/or CAA officials will, in consultation with the sports officials, suspend play until such time as the UAS is removed from the area as defined above or until the school, league, and/or CAA officials determine it is safe to proceed.

For the purposes of this policy, a UAS is any unmanned airborne device or aircraft. The Canyon Athletic Association, its member leagues, and host schools reserve the right to refuse admission to any person operating or attempting to operate a UAS or to request the immediate removal of any person using or attempting to use a UAS in violation of this policy.
