EXECUTIVE DIRECTOR UPDATE:

The high school fall sports regular season has officially concluded, and postseason play is now underway with an exceptional start. Our Swim State Meet experienced the highest participation numbers in CAA history, and our administration team delivered an outstanding event from start to finish. Boys Flag Football also wrapped up its championships with a successful and well-run event hosted at West Valley Christian in Goodyear, Arizona.

As we look ahead, we are excited to see the completion of our High School Girls Volleyball and High School Football postseason tournaments, as well as the upcoming State Cross Country Meet. The fall season has demonstrated strong sportsmanship, competitive excellence, and positive school engagement across our member schools.

The 2025–2026 school year is off to a strong start, and as we transition toward basketball season, I want to emphasize the importance of maintaining a safe and positive environment at all CAA events. Please ensure that the Spectator Code of Conduct is posted and communicated at all gymnasiums and competition sites.

Additionally, the new Article 12 bylaws, related to procedures and consequences when a fight occurs, are now in effect. It is essential that all schools follow these updated policies to ensure consistent enforcement and the safety of all participants.

Thank you for your continued leadership and partnership as we move through postseason play and prepare for the winter season.
