LEGISLATIVE COUNCIL MEETING MINUTES

No past meeting minutes

CALL TO ORDER

The meeting was called to order. Members discussed scheduling concerns related to athletic director responsibilities. Future delegate meeting times could be adjusted based on member availability.

COUNCIL DIRECTORY AND REPRESENTATION

The Legislative Council directory was shared to support communication with schools. Clarification was given that the directory's divisional alignment is not sport-specific.

Council members were asked to save the directory and enter their names in the representative column for the schools they will contact. Division delegates will coordinate school assignments and outreach within their divisions.

DIVISIONAL MEETINGS AND SCHOOL INPUT

Members discussed questions received from schools concerning playoffs, scheduling, and other association matters. Delegates and representatives will contact their assigned schools and organize divisional meetings to gather feedback.

Divisional meeting dates will be provided to the CAA for posting and distribution. Delegates will document discussions, prepare meeting minutes, and identify potential Legislative Council agenda items.

PROPOSAL DEADLINE AND AGENDA DEVELOPMENT

Troy (Council Chair) reviewed the process for submitting proposed amendments and agenda topics. **Submissions are due before January 8, 2027**, to support the advance-notice requirements for the February meeting.

Troy will meet with delegates to review proposed topics before the deadline. Delegates will report their divisions' votes on whether proposals should advance to the February 24 Legislative Council agenda.

A preliminary council meeting around January 11 or 12 was discussed.

POLICY TOPICS FOR DIVISIONAL REVIEW

Proposed topics from the Executive Board for division discussion:

- Forfeitures and their effect on state rankings.
- Teams canceling games to avoid opponents or travel.
- Late scheduling and postseason eligibility.
- Associate member fees.
- Proposed amendments from sports directors.

Divisions will gather school feedback and determine which topics they recommend advancing to the Legislative Council. No policy changes were adopted during this meeting.

EXECUTIVE BOARD NOMINATIONS AND VOTING

Members discussed eligibility for nomination to three Executive Board positions and who should vote in those elections.

Cal Perkins and Dave Hodges expressed support for voting by the Legislative Council. Nomination eligibility and voting procedures remained unresolved, and no final action was recorded.
